

4TH MAY 2023 | @ASHDONJAZZACADEMY

AJA is raising money for 1:1 mentoring sessions, we provide these sessions for young girls to give them someone to talk to. For just £2 a day, you can help provide a young girl with mentoring sessions! If you can please donate via our gofundme or bank transfer.

COOKING SESSION AT THE GARDEN MUSEUM

During the April half term we did two cooking sessions at the garden museum.

We made vegan cupcakes and Katsu-Curry with tofu instead of chicken. We also made vegan sushi rolls and chocolate cake without flour!

They both turned out very tasty

Mentor of the month: April Folake

Thank you for asking me to write about our experience having a mentor from Ashdon Jazz Academy.

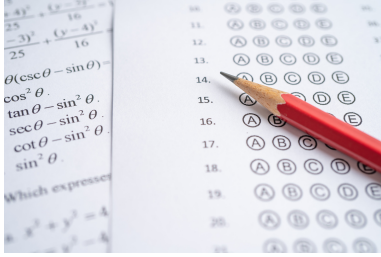

I must say that having Folake in our lives has saved my family. Folake commitment has been never ending and sometimes I don't know how Folake does it. Folake is a gem and wish her presence in my family did not have to end (thank you Thrisha for doing such a perfect match). We will miss Folake, as Folake has brought with her experience ,life skills and the great ability to talk to a young person when the parent is feeling overwhelmed and don't know where to turn. As a parent I felt that Folake took my daughter under her angel wings and covered her with love and guidance that I could not give her at times.

As I write this I am crying🥺, as we will miss you Folake and yes I must admit I am scared, that you are leaving us, but I know that I will take your example of patience and kindness to get through to the next chapter in our lives.

Folake you are not just mentor of the month but for us you are a lifetime mentor for our young person and all the young people you go on to mentor.

Thank you Folake and Jazz Academy, you saved us, and although she is still on her journey of discovery I know she will reach that unreachable star.

VISIT OUR WEBSITE FOR MORE INFORMATION

Good luck to everyone taking their GCSE's and A - Levels this month!!!

Stephney Green Farm visit

During the April half term, we visited Stephney Green Farm, we looked around at all the animals, drank natural tea and sowed seeds

What we've been up-to

Two of our young girls on the way home from our trip to the garden museum during the April half term

AJA's first over 18's link up, we went to lit and laive, organized by one of our other young girls.
